

Athens 17.02.2003

PRESS RELEASE

A Project of a cost estimate of **14.500.000 €** was awarded to **PROODEFTIKI SA** in **Romania** from the National Administration of Roads.

It is about a Roadworks Project : << **Contract 4R2 Construction of National Road No.66, Section from the town of BARU to the town of HATEG, of a total length 26 Km** which is financed by the European Union and in particular, by the European Investment Bank.

It is the company's intention to participate further in bids that concern Infrastructure and Roadwork Projects in the same country.
